

## **Notice of Public Hearing**

The Duluth Public Utilities Commission will hold a public hearing regarding two rate resolutions. The first resolution includes the deletion of sanitary sewer class VI which is no longer in use and a proposed change to sanitary sewer rate class IX which only applies to two steam production customers. The second resolution is to establish fees for various utility-related services such as gas furnace comfort policies, gas furnace and other appliance services, water hydrant usage, and other customer service related charges. The hearing will be held on March 17, 2015, at 5:15 p.m. in City Council Chambers. The purpose of the hearing will be to explain the proposed changes to the rates and receive comments from the public.
